

LilyWing Puppy Questionnaire

As a responsible breeder, we want to get to know potential puppy buyers before puppies are ready to go home so we can best match a puppy to your family, situation and goals. Please complete this questionnaire (or copy and paste into an email to LilyWing) and we will add you to the list for an upcoming puppy. If you are unsure of any answers or you don't know yet, that's okay! Part of our commitment to LilyWing Puppy Owners is supporting you through the life of a dog. We are happy to help provide information at any and all stages of your puppy, as they grow and as challenges arise.

Puppies for an upcoming litter may be reserved with a \$500 deposit.
